Park Prep Academy's Policy on the Management of Communicable Diseases
FOR COVID-19, PLEASE REFER TO THE MOST UP TO DATE GUIDELINES
FROM JERSEY CITY AND NEW JERSEY HEALTH DEPARTMENTS.

We at Park Prep Academy ask that you use good judgment when deciding whether or not to send your child to school. It is our goal to ensure the safety, well-being, and health of all our students and kindly request that children who exhibit contagious symptoms, such as runny noses, frequent sneezing or coughing (particularly during cold and flu season) remain home from school until their symptoms subside.

Please do not hesitate to contact us if you are unsure about whether your child would be contagious or not.

If a child exhibits any of the following symptoms, he/she should not attend the center. If such symptoms occur at the center, the child will be removed from the group and you will be called to take him/her home:

- Severe pain or discomfort
- Acute diarrhea
- Episodes of acute vomiting
- Elevated temperature of 100.4 degrees of Fahrenheit
- Sore throat or severe coughing
- Yellow eyes or jaunted skin
- Red eyes with discharge
- Infected, untreated skin patches
- Difficult or rapid breathing
- Skin lesions lasting longer than 24 hours
- Swollen joints
- Visibly enlarged lymph nodes
- Stiff neck
- Blood in urine

Once the child is **symptom free for 24 hours**, and/or has a doctor's note stating that he/she no longer poses a serious health risk to himself/herself or others, he/she may return to the school. If your child is on antibiotics, you must keep your child home for the first 24 hours that they are on medication, due to the contagious period of the sickness.

Table of Excludable Illnesses

Respiratory Illness:

- Chicken Pox**
- German Measles
- Hemophilus Influenza*
- Measles*
- Mumps*
- Meningococcus*
- Strep Throat
- Tuberculosis* (TB)
- Whooping Cough*

Gastrointestinal Illness

- Giardia Lambliab*
- Hepatitis A*
- Salmonella*
- Shingella*

Contact Illness

- Impetigo
- Lice
- Scabies

*Reportable diseases that will be reported to the health center by the center.

**Note: If your child has Chicken Pox, a doctor's note is not required for re-admitting the child to the center. A note from the parent is required, stating that either at least six days elapsed since the onset of the rash or that all sores have dried and crusted. If your child is exposed to any excludable diseases at the center, you will be notified in writing.

If your child will be absent from the Academy, kindly call the Academy as early as possible so we can maintain accurate attendance records.
